## THE BIRDS I SHOW AND SELL ARE GUARANTEED HOME BRED

With years of skilled line-breeding this pedigree stud has produced many winning birds for me and other leading fanciers around the world.

I pay particular attention to the importance of health and stamina. This is why this stud consistently produces for me one of the highest percentages of young birds from the number of hens retained.

The prices I charge are considerably less than those asked for by other top breeders.

**Enquiries always welcome**
